We certify that we are aware of all of the rules for participation in NYSSEF; that we have used the ISEF rules wizard; that we understand all of the risks and dangers that may be inherent in conduction research described in this application; that this project complies with all applicable Intel ISEF, NYSSEF and DYSC regulations including safety and size limitations; and that failure to comply with these regulations may result in disqualification. All Intel division winners must be present at the awards ceremony and stay for a mandatory meeting with the fair director following the awards ceremony, or they will be disqualified.

We also give permission for our child to attend the International Science and Engineering Fair, if selected to represent NY State, in Atlanta, Georgia May 13-19. We recognize that members of a 3-person team are responsible either through their district or sponsor for the cost of the 3rd team member attending Intel ISEF 2008.

We waive all claims against NYSSEF, its officers, trustees, staff and its sponsors for any injury to or death of persons or loss of damage of property in any way occurring in connection with NYSSEF and we agree to indemnify and hold them harmless against all such liability. By participating we hereby consent that all photographs, videos and/or recordings taken of my child may be used by NYSSEF, its trustees or designees for the purpose of publication or illustration in any manner.
